

Ref: JC/AHE/Y10 Revision Evening

26th January 2018

Dear Parents/Carers,

I would like to invite you into school for a Year 10 Revision Evening on Monday the 12th February at 5.00pm. The evening will run up until 5.30pm and will give you and your son/daughter the opportunity to open up discussions on the importance of the next 18 months, with a particular focus on English Literature – the GCSE exam they will sit this summer.

Here at Arena Academy we strive to give every student the opportunity to receive an excellent set of exam results. However, we also take the welfare and mental health of our students very seriously. We, as a team, believe that in order for students to be successful and maintain a healthy wellbeing then they need to be well prepared from the beginning.

As you know your son/daughter has been preparing for their GCSEs since the start of Year 9. The new GCSEs provide students with a range of challenges: students will be tested on information that was previously a part of A-level courses, students will sit more exams than ever before and coursework has been removed leaving 100% examinations. In order to overcome these challenges and be successful I strongly recommend that you, along with your son/daughter, attend the Revision Evening.

At 5.00pm there will be a presentation in the hall. This will include some very important information around key dates for the year and how you can best support your child in their efforts throughout the year.

Key information:

- Monday the 12th February
- Commencing at 5.00pm
- In the hall for key information

I would be extremely grateful if you could return the below reply slip to your son/daughter's form tutor by Monday the 5th February.

Yours sincerely,

Mr J Crawley
Director of Student Progress
