26th January 2018

Dear Parent/Carer,

GCSE Science Live at the New Alexander Theatre.

An exciting opportunity has arisen for your child to take part in a visit to the New Alexander Theatre for the GCSE Science Live show on **Tuesday 27th February 2018.**

The event will host a number of guest speakers to include Britain’s top scientists and an experienced science examiner. The aim of the event is to generate greater enthusiasm for science amongst GCSE students and help increase the chances of students studying science in higher education. The event will further equip students with examinations tips and each student will receive a free booklet with details about each scientist, the lectures and some general articles about studying science and working as scientists – as well as a number of pieces from an experienced chief examiner on success with Science GCSE.

Students will be leaving in the morning and will **return** to school at **4pm**, travelling to and from the venue via school mini bus.

If you would like your child to take part in this fantastic opportunity, of which will be at **no cost**, then please can you complete the permission slip below, and return it via your child to Mr Levy or Miss Green no later than **Friday 2nd February 2018.**

If you should have any queries, then please do not hesitate to contact me.

As always, thank you for your continued support.

Yours sincerely

C Levy
Science teacher

GCSE Science Live at the New Alexander Theatre.

Student’s name Form

I give permission for my child to attend GCSE Science Live on Tuesday 27th February.
