

Ref: WJE/AHE/Carol Concert

19<sup>th</sup> December 2017

Dear Parents/Carers

Each academic year, students from Year 7 and 8 visit the local church of St. Matthews to watch a traditional carol concert in which students from Arena Academy participate in. This year, the carol concert is being held on Thursday 21st December within school time. During the service there will be different hymns being performed, some solo items from our GCSE students, readings from staff and students and a short thought given by Father Romanis. It is an opportunity for students to either exercise their own faith, learn about other religions or to enjoy the musical performances from our students in an enjoyable acoustic.

The students will walk with the rest of their class and teacher to the church and will return after the end of the service before lunch time.

If you do not want your child to attend the carol service then please return the slip attached below.

Yours sincerely

Mr W. Jenkins  
Music Teacher
