17th October 2017

Dear Parents/Carers,

We would like to invite your son/daughter to attend a variety of different activities and clubs as part of our enrichment programme. Our enrichment programme aims to provide students with a range of new experiences and activities that will broaden their horizons and ensure the development of the whole child. The different clubs on the whole school extra-curricular timetable are for children in years 7-10 unless otherwise stated.

If your son/daughter would like to attend any of the clubs then they need to sign up with the relevant member of staff to register their interest. The clubs will begin the first day back after half term, Monday the 30th October, from 3.00-4.00pm for the duration of the half term.

If you would like any more information then please contact myself or the lead of each individual session by contacting the school reception on 0121 360 4242.

Yours sincerely,
