

Ref: JC/AHE/Intervention Club

17<sup>th</sup> October 2017

Dear Parents/Carers,

As your son/daughter moves ever closer towards their GCSEs we are setting up 'Intervention Clubs' to support those students that need extra support. Your child has been selected to attend the intervention club for .....on a ..... evening between 3.00-4.00pm. The class teacher has put forward your child's name because they are concerned that your son/daughter may not reach their target grade. The intervention club will run each week from the first day back after half term, Monday the 30<sup>th</sup> October, for the duration of the half term until we break up for Christmas.

To provide the best possible support your child will be taught in small groups with targeted revision at your son/daughter's target grade. As a school we will then review your son/daughter's progress at Christmas, if your child has met their target then they will no longer have to attend the intervention club.

As the intervention clubs are only being targeted at a select number of students we need your full support as parents/carers to encourage your child to attend. Can I kindly ask that you indicate whether you would like your son/daughter to attend via the reply slip below. Please be aware, if your child chooses not to attend more than 2 sessions then their place may be allocated to another student.

Once again, if you are concerned or would like an update on your child's progress then please do not hesitate to contact me via the details below.

Yours sincerely,

Mr J Crawley  
Director of Student Progress
