Wednesday 13 June

Dear Parent/Carer

**Year 11 Final Day: Friday 14 June 2018**

At the end of a gruelling exam season, we are sure that you and your child are very much looking forward to their final Science (Physics) exam on Friday morning. We would like to thank and congratulate Year 11 on handling themselves in those very tough examinations with maturity and resilience.

The purpose of this letter is simply to remind you that we will be dismissing all Year 11 students straight from that final exam on Friday morning. We estimate that it will finish between 10.00am and 10.15am. In order to ensure that our other year groups continue to enjoy a smooth working day, we will be expecting Year 11 to take all of their bags down to the Exam Hall and to leave site straight from that exam.

While we fully understand their natural desire to celebrate the end of their exams, we would just draw your attention to the fact that other local schools will be dismissing their Year 11s at a similar time. We would encourage students to therefore make their way home promptly and calmly – mindful too that local businesses would also appreciate students making an orderly journey home.

Our chance to formally mark Year 11's time here will be our Graduation Day, Friday 22 June 2018. Please be reminded that all students are required in school at 9am on Thursday 21<sup>st</sup> June (in full school uniform) to rehearse the Graduation ceremony. They will be released at 10.30am that day, unless they are playing a role in the ceremony; in which case they will stay all day.

On Graduation Day, we look forward to welcoming you – as parents and carers – from 9.15am for refreshments in Arena Central while students gather in Maths classrooms. Tickets have been sent home via your child, but please contact school if you would like any additional ones.

Yours sincerely
