5<sup>th</sup> October 2018

Dear Parent/Carer,

### Financial Education Exams

I am writing to inform you of the forthcoming Financial Education exam for Unit 1 for your child. As I am sure you appreciate exams are an important part of your child's education. This exam will contribute towards your child's overall qualification in the subject area.

### Examination

Units 1 consists of multiple choice questions, however subject knowledge is very important as the choices are very similar, therefore they can be very easy to misinterpret if not read carefully.

Unit 1 of the Financial Education exam will take place on **Wednesday 14th November 2018 at 2pm**. Intervention class will take place every Wednesday in room 28 after school. Please can you ensure that your child utilises this opportunity.

### Revision

Students have been informed of the areas that need to be revised for the examination and they have been given revision resources. **Students have been provided with a username giving them access to on-line resources on the London Institute of Banking & Finance Website.** The following link is for your information:

The resources are extremely beneficial to their revision, therefore imperative that they undertake all of the exercises for Unit 1 before the exam.

### Equipment

All students should bring suitable equipment to each examination (spare pens (black), pencil, ruler) and be dressed in full school uniform. Mobile phones and digital devices will need to be switched off and placed in students' bags. Bringing the correct equipment is the students' responsibility.

Students should approach this exam with a determination to do their best and, therefore, prepare thoroughly. Please support us in ensuring your child is fully prepared for this exam. If your child has any questions about their exam, please ask them to see myself, Mrs Townsend or Mr Harchowal as soon as possible.

Yours faithfully,

Mrs Paul-Smith
