22<sup>nd</sup> January 2019

Dear Parent/Carer,

**RE: Exam preparation Science intervention**

In preparation for your child’s exam this summer the Science department will be running intervention sessions every Thursday after school from 3.15pm till 4.00pm (starting 24<sup>th</sup> Jan).

\_\_\_\_\_ has been identified as one of our students who require more support to ensure they are working towards their target grade. During these sessions students will be going through exam questions specific to their target grade with specialist staff.

If you have any questions please do not hesitate to contact me at school. In the meantime, I would appreciate it, if you could sign and return the slip below and hand it back to one of the team by Thursday 24<sup>th</sup> January 2019 to confirm receipt of this letter.

Yours sincerely,

Miss K Morgan  
Head of Science
